

AMENDMENTS TO THE CLAIMS

C3
1. (Previously Amended) Apparatus for playing a game comprising a pack of playing cards having a set of differentiated face designs on the playing cards, said face designs being a conventional or substantially conventional set of playing card markings; and rules to determine a method of game play; wherein a number of backs of the playing cards possess markings that are coordinated with the face designs found on the playing cards to enable formation of a different type of set based on the markings found on the backs of the playing cards, as determined by the rules of game play.

2. (Previously Amended) Apparatus as claimed in Claim 1 wherein the markings on the backs of the playing cards comprise an outer portion identical on each card and an inner portion coordinated with the face designs found on the playing cards.

3. (Previously Amended) Apparatus as claimed in Claim 1 wherein the markings on each of the backs of the playing cards are -

1) a selected sentence or group of sentences of a poem to be arranged in a set to form a completed poem; or

2) selected frames of a cartoon strip to be arranged in a set to form a completed cartoon strip; or

3) selected images to be arranged in a set to form a completed image of a commercial product.

4. (Previously Amended) Apparatus according to Claim 1, 2 or 3 wherein the pack comprises 52 cards and the face designs are four suits of ace to king markings.

5. (Canceled).

6. (Canceled).

C3 7. (Previously Added) Apparatus as claimed in Claim 2 wherein the markings on each of the backs of the playing cards are -

1) a selected sentence or group of sentences of a poem to be arranged in a set to form a completed poem; or

2) selected frames of a cartoon strip to be arranged in a set to form a completed cartoon strip; or

3) selected images to be arranged in a set to form a completed image of a commercial product.
